

ADVANCE IN PAY GRANTED TO RAILWAY EMPLOYEES

Telegraphers and Agents on B. and O. Reach Agreement With Company Officers.

BOYDS, Md., September 23.—The committee of the Order of Railway Telegraphers, representing the telegraphers and agents on the Baltimore and Ohio railroad, have come to an agreement with the railroad officials of that road and received an increase of wages that means about 8 per cent raise to the men. On this division, from Baltimore via Washington to Hagerstown, the men receive the 8 per cent and other considerations. Agents who receive over \$50 per month are the only ones in that line who receive an increase, but all classes of telegraphers get an advance without regard to their present salaries. A point of contention between the employees and officials of the road in which the officials denied the right of the telegraphers' organization to represent the agents in the wage dispute was settled by the agents' receiving the increase. The increase was agreed upon to become effective from August 1, 1916.

G. B. Mullin & Co. of Washington, D. C., were awarded the contract for the construction of two important stretches of road in this section of the country. The first contract was that of the county road leading from Dawsonville, a distance of four and a half miles, for \$48,000. The other was the continuation of the state road from Dawsonville to a point near Beallsville, a distance of nearly two miles, for \$25,500. The contractors broke ground yesterday on the state road work, which is to be completed first.

ROCKVILLE AND COUNTY

Special Correspondence of The Star.

ROCKVILLE, Md., September 23.—Upon receiving a "tip" that Vernon Snowden, colored, who makes frequent trips from Mount Zion, Md., to Washington, in prosecution of his business of huckster, had left Washington with a supply of intoxicating liquors, Sheriff Frank Galtier yesterday afternoon dispatched Deputies Benjamin Bottlemay and Stanley Gingell to head him off on his way to his home near Mount Zion. The officers ran across Snowden on the 7th street road near Wheaton, and, being armed with a search warrant, they took a look at the contents of his wagon. Finding in Snowden's possession four gallons of whisky, a gallon of gin and a quantity of beer, the officers placed Snowden under arrest on a charge of violating the local option law of the county by having in his possession intoxicating liquor with intent to sell it. He was taken before Judge J. A. Brown, who held him in the police court here, who released him on bail for his appearance for trial Monday. Snowden claims that he bought the liquors to accommodate a number of his friends, who gave him the money before he left for the city.

Fair a Financial Success.

That the annual Rockville fair, held last month, was a financial success was shown by a statement of Treasurer John J. Higgins, submitted at a meeting of the board of directors here during the week. The receipts from all sources exceeded the expenditures by nearly \$1,000. Of this amount, \$550 will be applied to paying interest upon a mortgage on the society's property, taxes and insurance, and the remainder will be used to erect new fences on the grounds.

Being unable to furnish bail in the amount of \$2,000, William Hall, colored, of Norbeck, this county, who was given a preliminary hearing in the police court here today on a charge of assaulting with intent to kill his wife, Jennie Hall, was committed to jail to await the action of the November grand jury. According to the wife, Hall attacked her with a butcher knife in their home. To ward off a blow aimed at her throat, the woman threw up her arms and received a painful cut across one wrist.

Real Estate Transfers.

Transfers of real estate were recorded in the office of the clerk of the circuit court here during the week as follows: John H. Snodder and others to Rose F. Chiswell, 197 1/2 acres; Sarah L. Miles to William H. Wims, 2 acres; Copeland P. Jones to Arthur E. H. Middleton, 12 1/2 acres; Joseph H. Bodine to Albert D. Brooks, 1 1/2 acres; James R. Lydane to Edgar R. Vinson, 15 1/4 acres; Anna A. Larkin to S. Johnston Livingston, lot at Takoma Park; Margaret A. Brook to Annie G. Lanham, lot at Woodmont; Grace L. Coles to Pamela W. Favorite, lot at Takoma Park; George McNeir to Henry Jones, part of the Pilgrim tract; Alphonso O. Tingley to West End Penn. Land Company, lot at Takoma Park; Maude R. Thompson, lot at Chevy Chase; Edward White to George J. Bentley, lot at Hill Crest; Beverly W. Bond to Hugh Thompson, lot in Rockville.

Accompanied by several friends, Miss Mamie Elizabeth McDaniel of Grove Hill, Va., and William Trook Lyninger of Washington motored to Rockville this afternoon and were married by Rev. Samuel R. White.

Miss and Mrs. Mabel Linthorn of Brownsville have issued invitations to the marriage of their daughter, Miss Elizabeth, and Ivan Thompson Lawlor. The ceremony will be performed Wednesday evening in the Methodist Church at Brownsville.

Chemist Says Few Know Why Feet Swell and Ache

Tells how to neutralize the poisons in the perspiration and thereby immediately relieve burning, aching, swollen, tender feet.

You wear your shoes and stockings sixteen to eighteen hours at a stretch. Much of the perspiration is retained by the stockings and shoes and held in contact with the feet an unnatural length of time. The perspiration immediately begins to decompose and form irritating poisons with a disagreeable odor. Therefore, so long as you wear stockings and shoes, you compel you to wear stockings and shoes, you should overcome the unnatural result by the use of an antiseptic neutralizer of the poisons of perspiration. For this purpose a certain doctor's prescription seemed to be far superior to anything else. All who tried it were more than astonished by their immediate and complete relief from all their foot discomforts. Because it proved 100 per cent satisfactory, in every known case where it was used in prescription form, a leading New York firm of chemists secured the prescription and put it on the market under the trade name of "Faster." Now nearly every drug store sells it. It is a 25-cent antiseptic powder. Thousands of people use it daily, and probably some of your own friends have given you valuable information as to its remarkable merits. Faster kills all poisons of perspiration. Ask your druggist for Faster. Get your money back if not satisfied. Write to Agents, E. Fongers & Co., Inc., 90 Buckman street, New York.
